

Job Description

Job title	Lecturer – Child Health Nursing and Nursing Associates
School / department	College of Nursing, Midwifery and Health Care
Grade	6
Line manager	Head of Pre-Registration Nursing / Professional Lead Children’s Nursing
Responsible for	n/a

Main purpose of the job

The post holder will participate in and contribute to, the delivery and continuing development of pre-registration nursing and nursing associate courses, offered by the College of Nursing, Midwifery and Healthcare.

Working closely with the course teams, the post holder will provide support to students undertaking nursing and nursing associate courses at the college and to students and assessors in clinical environments.

As a member of the academic team, the post holder will assist in the development of the professional, academic, research and scholarly profile of nursing and college of nursing, midwifery and healthcare.

Key areas of responsibility

Deliver and participate in/contribute to, the development of modules/courses/study days with a focus on nursing and nursing associate pre-registration courses and apprenticeships, and related areas of care, across the College’s pre-registration and health care portfolio.

Develop high quality of teaching and learning materials to support the delivery of the modules and courses

Deliver innovative teaching, learning and assessment strategies that enhance the student learning experience. Delivering this to students on a range of pre and post registration healthcare courses offered by the College of Nursing, Midwifery and Healthcare.

Support students and apprentices throughout their course, acting as personal tutor, monitoring their progression and supporting their key and academic skills development

Work in partnership with the course team, clinical practice staff and their managers, and service users to deliver high quality modules/courses relevant to the needs of health service users and their carers/families/significant others

Support engagement with partner Trusts and other stakeholders, and support students/apprentices and manager/clinical placement facilitators/supervisors and assessors in practice

Support and contribute to applied research, professional practice and other scholarly activity in support of the College’s academic development programme

Take responsibility for ensuring one’s own academic and professional development within the field of children’s nursing and health care is maintained.

Ensure active involvement in the recruitment and selection process of apprentices and other nursing and healthcare students commensurate with the grade of lecturer

Carry out all necessary administrative responsibilities and participate fully in quality assurance processes within the University

Undertake the PG Cert Education (if no recognised teaching qualification) and to register for Higher study at the first opportunity

In addition to the above areas of responsibility the position maybe required to undertake any other reasonable duties relating to the broad scope of the position.
