

Job Description

Job title	Senior Lecturer – Mental Health Nursing and Nursing Associates
School / department	College of Nursing, Midwifery and Health Care
Grade	7
Line manager	Head of Pre-Registration Nursing / Professional Lead for Mental Health Nursing
Responsible for	n/a

Main purpose of the job

To be responsible for leading the development, management and delivery of nursing and healthcare modules and courses within the College of Nursing, Midwifery and Healthcare (CNMH).

Act as a module leader and course leader ensuring a team approach to the development and delivery of courses within CNMH.

The post holder will lead on and contribute to, the delivery, continuing development and integration of nursing and healthcare within modules and courses, offered by the CNMH. Working closely with the senior management and course teams, the post holder will provide support to students undertaking modules and courses at the college and to students/assessors/supervisors in clinical environments.

As a member of the academic team, the post holder will actively engage in the development of the professional, academic, research and scholarly profile of nursing and healthcare in the CNMH.

Key areas of responsibility

Lead the development and delivery of modules/courses/interprofessional learning relevant to mental health nursing, cross-field nursing, and nursing associates, across the College's pre-registration and post-registration portfolio.

Deliver innovative and authentic teaching, learning, simulation and assessment strategies that enhance the student learning experience.

Support students throughout their course in various roles, including as a course leader, personal tutor, Academic Support Link Tutor, and Academic Assessor. Monitor their progression and assist in developing their key and academic skills.

Work in partnership with the course team, clinical practice staff and their managers, and service users to deliver high quality modules/courses relevant to the needs of health service users and their carers.

Support engagement with partner Trusts and other stakeholders and support learners and managers/clinical placement facilitators/assessors and supervisors in practice.

Engage in applied research, professional practice and other scholarly activity in support of the College's academic development programme.

Take responsibility for ensuring one's own academic and professional development within the field of nursing/healthcare and clinical health care is maintained.

Ensure active involvement in the recruitment and selection process of students and all others commensurate with the grade of senior lecturer.

Carry out all necessary administrative responsibilities and participate fully in quality assurance processes within the university.

In addition to the above areas of responsibility the position may be required to undertake any other reasonable duties relating to the broad scope of the position.
